Krippe Sonnenschein
Schulstraße 46
24229 Dänischenhagen
Germany

Project description:

The Krippe Sonnenschein is a crib for toddlers with the age from 1 to 3 years. It has three groups and is located in a small village called Dänischenhagen which is 45 minutes away from the center of Kiel by bus and a few minutes away from Strande. For several years, we have been working in a bilingual way – this means that you as a volunteer will only speak English to the children (supporting your English words with gestures and facial expression) and the kids will understand you.

The team brings appreciation and respect to all children and their families no matter what cultural background they have, which gender, age, nationality, religion, worldview, disability or sexual orientation. We strive and live for diversity and see it as a great treasure. We

support our children in their personal growth to become independent personalities.

Target Group: Children: 1-3 years

Language: German, English

Working hours: 40 h / week

Opening hours: Mo. to Fr. 7.30 am to 3pm

Leave Days: 26 days

Following tasks can apply for the volunteers:

- Supporting the educators with caring for the children
- Accompanying excursions
- Implement own projects (e.g. music, cooking, handicrafts)
- Help preparing meals
- You're going to get to know our work and can check out our different fields of work and become part of our great team

Personal requirements:

- Experience / great interest in the work with small children
- Motivated, empathetic, appreciative, respectful and reliable

- Buoyant and cheerful
- Team-minded
- Stress-resistant
- Preferable musical
- Please be aware that you will be a great role model for the children and that you need to act and behave accordingly
- You should be quite “weather-resistant”. In autumn and winter it can sometimes be very cold and rainy. Nevertheless, we spend time outside with the children every day.
